

Dear HR Manager,

Please accept this letter as my formal resignation from my position as Advisor I – Customer Service at Concentrix, effective immediately.

I have made the difficult decision to resign due to the relocation of my residence. Due to this significant change in my personal circumstances, I will no longer be able to continue reporting to work and fulfilling my responsibilities in my current position.

I am sincerely grateful for the opportunities, experience, and professional growth I have gained during my time with Concentrix. I also greatly appreciate the support, guidance, and experience shared by my colleagues and management.

I sincerely apologize for the short notice and any inconvenience that my immediate resignation may cause. I hope for your kind understanding and consideration regarding my situation.

Thank you for the opportunity to be part of Concentrix and for the valuable experience I have gained during my employment.

Respectfully yours,

Marco Polo Querobin Arceo
